Camp Use Guidelines

Rules & Regulations

YOUTH PROTECTION GUIDELINES:

1. All groups must have a minimum of two adults per camp site/facility, over 21 years of age*, in attendance while on group outings. *The second adult may be a registered Scouter over 18 years of age.
2. Co-ed events must have both male and female adults, over 21 years of age, in attendance while on group outings. Adult leaders will ensure an appropriate level of privacy is maintained between adults and youths and male and female campers. Segregated sleeping arrangements (adults/youth and males/females) are required. Users may partition cabins with tarps, drapes, etc. to meet the segregation requirement.
3. Cub Scout Packs are required to have an adult (parent or designee) for every three boys camping but ideally the ratio should be one to one.
4. Both leaders shall arrive at camp together. Groups arriving with only one leader may not remain in camp.
5. The two primary adult contacts for the reservation must have a current Youth Protection training within the last two years.

CHECKING IN AND OUT OF CAMP:

1. Group leaders must first check in with the Camp Ranger/Master before seeking access to their reserved facilities. A roster of all Scouts and adults participating, including visitors, must be turned in at check-in.
2. Outstanding balances and camper fees, if due, are to be reconciled with the Camp Ranger/Master at this time.
3. Upon gaining access to the facility, you and the Camp Ranger/Master will run through a checklist of the facility.
4. Please inform the Camp Ranger/Master of your projected schedule and movement of your unit while at camp. We want to be able to contact you in a timely manner should an emergency arise.
5. All groups must check out with the Camp Ranger/Master prior to leaving camp. Please, no cutting of live trees and no outside firewood.
6. There is a \$50 fine for any fire extinguisher released without an apparent emergency.
7. There is a \$100 fine for tampering with smoke and fire detection devices.
8. Fees for damages are based on each occurrence and include cost of labor.
9. We strive to have a clean campsite/facility upon your arrival. A cleaning fee may be charged to any group who does not leave the campsite/facility clean when they depart.
10. No confetti or glitter is allowed inside any buildings.

VEHICLES:

1. After unloading, all vehicles must be returned to the designated parking lots.
2. Maximum speed limit in camps, whether posted or not, is 10 MPH.
3. No riders are permitted in the beds of trucks. You are not covered by BSA insurance if an accident arises from a person falling out of the bed of a truck.
4. Passengers are to be transported only in those compartments of vehicles which are designated by the manufacturer for passenger use and are equipped with working seat belts. The number of passengers in a vehicle must not exceed the number of functional seat belts.
5. Please park and lock vehicles and pocket your keys.
6. Vehicles must be parked in designated parking lots so as to ensure ready access to the camp facilities by emergency, law enforcement and camp vehicles. We want leaders to be concerned for their Scouts first, their vehicles second.

NOTIFY THE CAMP RANGER/MASTER IMMEDIATELY:

1. Injuries – all injuries, no matter how small, must be reported immediately to the Camp Ranger/Master. An accident report must be filed.
2. Lost person – if you suspect a lost person situation, notify the Camp Ranger/Master immediately for assistance.
3. Fire – notify the Camp Ranger/Master immediately and safeguard all personnel.
4. Suspicious person(s) – report any suspicious looking person(s) to the Camp Ranger/Master.
